ROOT CAUSE ANALYSIS SOFTWARE

Causelink Enterprise is a collaborative, browser-based system that gives root cause analysis (RCA) teams a systemic view of problems and real-time tracking of RCA status, solutions and actions. Here's how it works:

1. CONFIGURE COMMON SETTINGS AND TERMS

2. SAVE RCA RECORDS

3. GENERATE REPORTS

4. REVIEW DATA INTELLIGENCE

5. SHARE LESSONS LEARNED

Enable Causelink Enterprise software in your RCA program and realize:

- Fewer Recurring Problems
- Cost Savings
- Safer Employees
- Improved Quality
